

Once you have purchased your AZtecFlex licence you will receive the product key in an email notification from [no-reply@estore.oxinst.com](mailto:no-reply@estore.oxinst.com) or [noreply.NA.softwarelicensing@sentinelcloud.com](mailto:noreply.NA.softwarelicensing@sentinelcloud.com) which will also include instructions on how to activate the licence.

Before activating your license, you will need to download and install the current version of AZtecFlex at:

[oxinst.sharepoint.com/:f:/s/NASoftware/EvFijl4d\\_4NHvRGb-ljEzqcBp7T06rtr1eGGJMZDM1Kq8A?e=YCsc9O](https://oxinst.sharepoint.com/:f:/s/NASoftware/EvFijl4d_4NHvRGb-ljEzqcBp7T06rtr1eGGJMZDM1Kq8A?e=YCsc9O)

After AZtec has been installed, you can activate your licenses at:

[oxfordinstruments.sentinelcloud.com/ems/customerLogin.html](https://oxfordinstruments.sentinelcloud.com/ems/customerLogin.html)

Once activated the license is locked to the computer it was activated on. Please see instructions below for details on activating the license for a different computer.

Detailed instructions on installation, licensing, and activation are available at:

[nano.oxinst.com/assets/uploads/products/nanoanalysis/documents/Instructions/AZtecFlex\\_instructions.pdf](https://nano.oxinst.com/assets/uploads/products/nanoanalysis/documents/Instructions/AZtecFlex_instructions.pdf)

If you have purchased this product for someone else or experience any issues, please contact [customer.support@oxinst.com](mailto:customer.support@oxinst.com). Please include the purchase e-mail address and order number to assist with the support.

As part of this product, you will receive the following e-mails:

- E-mail notifications when a new version of AZtecFlex is available to download
- Three renewal reminders when your license is near the expiry date

Kind Regards,

Oxford Instruments NanoAnalysis
